- Drastically improve your golf game
- Used by PGA professionals, teachers, tour players, and numerous top rated facilities
- Unmatched variety to fit any and every golfer
- Beautiful lifelike appearance
- Fun for the whole family

STI BENT GRASS

BENEFITS

STI Bent Grass is our entry level putting surface. Multi-colored yarn gives you the most authentic look possible. Built to give the golfer a Stimp speed of 10 feet, this product is ideal for almost any golf application. Perfect for putting and receiving chip shots from up to 30 yards when infilled with two pounds of sand, Bent Grass can also be used for bocce, croquet, tennis and cricket.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
