## ELITE PLUS

### BENEFITS

SoftLawn® Elite Plus is an excellent landscape product, with a thatch layer for added body, reducing the amount of infill needed. The four color blend of this product provides an authentic look and feel that truly resembles a natural lawn. SoftLawn® Elite can be used for landscapes, putting green fringes, playgrounds and pet areas.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser.
